The Containment Model in California

This 2-day training program is designed to teach techniques for communication and collaboration between supervising probation officers, sex offender treatment providers, polygraph examiners, registering law enforcement agencies and victim advocates. Some of the topics covered will include the following:

- Best Practices in Probation Supervision
- Vicarious Trauma
- Legal Challenges to the Containment Model
- The Use of Polygraph in the Containment Model
- Containment Team Process
- Victim Centered Approach
- Sex Offender Registration and Community Notification
- The Use of Risk Assessment in Monitoring Offenders

Portions of this training will be recorded. By registering each attendee agrees to be videotaped without compensation and understands that his or her face or voice may appear in training materials produced by the sponsoring and hosting organizations.

To register for training please email Laura.Pauli@cdcr.ca.gov

Please include the full name, position, department, and email information for **each** attendee.

Space is limited.
