

NOVEMBER 14-15, 2018 STATIC-99R CERTIFIED TRAINER & ADVANCED SCORER RECERTIFICATION & INTER- RATER RELIABILITY STUDY

Recertification for Certified Trainers and Advanced Scorers

SARATSO Static-99R Certified Trainers and scorers must maintain current status and be re-trained every two years. Advanced scorer consist of scoring 20 or more cases per year.

Inter-Rater Reliability Study

Achieving a high level of inter-rater reliability is an important performance metric for risk assessment tools. A high level indicates that assessors similarly score offenders using the Static-99R and translates. to assessors being well trained with clear interpretable content.
