MARCH 2021

**Did you know...** that SARATSO has two MHS portals? The two portals are often referred to as the practice domain and live domain, or practice portal and live portal. The practice portal is used during LS/CMI training sessions to assess the trainee's use and understanding of the MHS system. These scores do not get uploaded to DOJ's database.

Once a trainee has successfully passed an LS/CMI training, they are issued a live portal login so that scores can be entered and automatically uploaded to DOJ. Please do not use the practice portal once you have successfully passed the training.

If you are an LS/CMI certified scorer and need access to your live domain login credentials, please email SARATSO staff at [SARATSO@cdcr.ca.gov](mailto:SARATSO@cdcr.ca.gov).

## SARATSO Meeting Schedule

The next SARATSO Meeting will take place on **June 10, 2021**. To download a copy of the schedule, please visit the [SARATSO Meetings page](#).

## 2020 Score Submissions

The Department of Justice (DOJ) will release the 2020 Score Submission Report for all treatment tools in July 2021. In preparation for the data analysis, DOJ requests that county probation, and treatment providers, submit any outstanding scores for the 2020 reporting period as soon as possible.

Counties may request a list of missing FOS and STABLE-2007 scores by emailing the Risk Assessment Unit (RAU) at [CAHRSO@doj.ca.gov](mailto:CAHRSO@doj.ca.gov).

## 2020 SARATSO Annual Tracking Form

The 2020 SARATSO Annual Tracking Form and instructions (previously SARATSO Annual Report) for probation departments, was distributed to Chiefs of Probation in December 2020. As a reminder, tracking forms for the reporting period of January 1, 2020 through December 31, 2020 are due to SARATSO at [SARATSO@cdcr.ca.gov](mailto:SARATSO@cdcr.ca.gov) by **April 30, 2021**.

County probation may access the fillable form on the file sharing tab of the [SARATSO Certified Scorers Portal](#), or may email SARATSO staff to request a copy of the fillable form. If probation staff have questions while completing the form, please email questions to [SARATSO@cdcr.ca.gov](mailto:SARATSO@cdcr.ca.gov).

## MHS Portal: Issue Resolved

SARATSO received notification from a number of treatment providers that the Multi-Health Systems (MHS) portal was not allowing LS/CMI scores to be saved in the database. Upon further investigation, SARATSO discovered that the issue was contained to the Practice Portal of the MHS website. SARATSO has notified treatment provider agencies of the incident, and corrected the issue.

As a result, *DOJ will not be implementing an alternative way to submit scores* as announced on the January 2021 call. Certified scorers should continue to enter scores into the live portal of the MHS website.
